Research and Publication”**

15th June - 21st June, 2020

Timings(IST):- 3:30 PM to 4:30 PM

About the University

Mohammad Ali Jauhar University, Rampur was established in the year 2006 by an Act of State Legislature of Uttar Pradesh. It is approximately 12 km from Rampur Railway Station. The University caters courses in various streams of Science, Humanities, Law, Education, Commerce, Engineering & Technology, Paramedical Sciences including Nursing, Mass Communication and Agriculture and is almost prepared to start a Medical College named as Jauhar Institute of Medical Sciences (JIMS). The University campus is spread over more than 250 acres and has vast lush green, health sustaining and beautiful landscapes. The bio-aesthetics is further enhanced with the presence of a very huge water body a source of rich floral and faunal diversity. Ultra modern infrastructure designed by eminent architects is the signature of its beauty. The tranquil ambience of the premises creates the ideal environment for serious study. Stress is also being given on physical fitness of the students and for this the University has paid adequate attention on promotion of sports on campus. Along with this a stadium with latest facilities is also underway on completion to promote sports with studies. The objective of the University is to mark excellence in its academic programs and sports. The University is committed to its social mission of making education possible to sons and daughters of persons of the down-trodden sections of the society and Muslim minority as well.

About Faculty Development Programme.

Dear Sir/Madam,
In this era of unprecedented crisis of covid 19, every sector of economy has been facing barriers which are poles apart. The educational sector has also observed the vast changes in past few months. These significant shift has transformed the whole structure and dynamics of educational system. It has led to the rapid progress and development of online educational programme with more emphasis on ICT, educational software and the digital technology. Although the whole Indian education system has faced this challenge efficiently and effectively. However, there exist many contemporary issues, which need to be resolved yet. So we are pleased to inform you that we are organising one week International Faculty Development Programme(FDP) on "Contemporary issues, Assessment, Collaboration Research and Publication" from June 15th to 21st of June 2020. This International FDP provide an excellent opportunity to the faculty member and research scholars or different disciplines to explore the various issues pertaining to education research and related technology in the able guidance of International professional experts. Moreover this programme is specially designed to cover very relevant topics related to the interest of academicians such as publication of research work in International Journals, Research Presentation, Case Studies etc. The participants will receive the certificate for the same.
